LEGRAND

Flush-mounting box for Pop up floor 4 modules, for installation in concrete floors

REF. 054001 | EAN. 3245060540012

The backbox makes it possible to reserve a space in the concrete to be poured, in order to install the pop-up floor once the concrete is dry. Its 60mm depth, 100x100mm footprint and 20mm conduit entries ensure easy fixing.
