

Trimless Recessed Outdoor Up Light With Honeycomb – 5W, 3000K, 350lm, 24°, 24V DC, IP67

Product Family / Series	Up lights
Product Category	Outdoor Luminaries
Brand	GAPROLUX

Short Description :

The Trimless Recessed Outdoor Uplight is a premium architectural inground luminaire designed for landscape, façade, and pathway lighting. Featuring a trimless glass finish with integrated honeycomb anti-glare optics, this fixture delivers precise accent lighting while blending seamlessly into paved surfaces. Constructed with an aluminum body, recessed plastic housing and tempered glass, it operates on a safe 24V DC system for reliable outdoor installations.
